Dark tourism (also black tourism or grief tourism) has been defined as tourism involving travel to places historically associated with death and tragedy. More recently, it was suggested that the concept should also include reasons tourists visit that site, since the site's attributes alone may not make a visitor a "dark tourist". The main attraction to dark locations is their historical value ...

Because Zika during pregnancy can cause severe birth defects, pregnant women should not travel to areas with Zika outbreaks (as indicated by red areas on the Zika map). Before travel to other areas with risk of Zika (as indicated by purple areas on the Zika map), pregnant women should talk to a healthcare provider and carefully consider the potential risks of Zika and other infectious diseases.
