History. Charles Tyrwhitt was founded as a mail order company in 1986 by Nicholas Charles Tyrwhitt Wheeler, while he was a student at Bristol University. The company began operating from a small space on Fulham Road, London, before expanding the business with retail and e-commerce stores.

### **Charles Tyrwhitt - Wikipedia**

Thank you Cotton Graphics for your excellent service, product and price. After many years of using a number of suppliers it was a huge help to our business to find a company who took the time to understand our commercial requirements for work wear and promotional items.

A Henley shirt is a collarless pullover shirt, characterized by a placket below the round neckline, about 3 to 5 inches (8 to 13 cm) long and usually having 2â€“5 buttons. It essentially resembles a collarless polo shirt. The sleeves may be either short or long, and it can be made in almost any fabric, although cotton, cotton-polyester blends, and thermals are by far the most popular.

### **Henley shirt - Wikipedia**

An alternate method is to compare your own garment size to ours. You can do this by measuring the  $\hat{A} \frac{1}{2}$  chest of your garment (laid flat, measured 1 cm below the sleeve join, from side seam to side seam) and compare it to ours.
