A mobile phone, cell phone, cellphone, or hand phone, sometimes shortened to simply mobile, cell or just phone, is a portable telephone that can make and receive calls over a radio frequency link while the user is moving within a telephone service area. The radio frequency link establishes a connection to the switching systems of a mobile phone operator, which provides access to the public ...

Click on Image to Order from Amazon. A narcissist is also very good at acting as if he isn't particularly attached to his phone to distract you from the fact that he's obsessed with it. For example, my ex would sometimes punish me for calling him out on The Cell Phone Game by smashing his phone to bits (whereby implementing "no communication") as if replacing it over and over was ...
