Undergraduate Degree Charts. General Bachelor of Science Degree Requirements. School of Architecture and Planning. Architecture (Course 4) Art and Design (Course 4-B)

### **Degree Charts < MIT**

Degree abbreviations are used as an alternative way to specify an academic degree instead of spelling out the title in full, such as in reference books such as Who's Who and on business cards. Many degree titles have more than one possible abbreviation, with the abbreviation used varying between different universities.
