The Chemical Wedding is the fifth solo album by English heavy metal singer Bruce Dickinson, released on 14 July 1998 through Sanctuary Records. The record draws some inspiration from the works of William Blake, featuring sung and spoken excerpts of his prophetic works and poetry (notably And did those feet in ancient time on the track Jerusalem), and with cover art from his painting The Ghost ...

Photographic processing or development is the chemical means by which photographic film or paper is treated after photographic exposure to produce a negative or positive image. Photographic processing transforms the latent image into a visible image, makes this permanent and renders it insensitive to light.. All processes based upon the gelatin-silver process are similar, regardless of the film ...
